POISON

Skene, Grynglas, Whitby, Young

Spread legs is the poison,
Brings me to my knees.
No time for your love here honey,
Just give me what I need.
She's goin' down for the boys
On a Saturday nite.
No she ain't gonna stop
Till she gets a mile high.
Down on her knees,
Baby please
Give me what I need...

Yeah, I bet you heard it all before,
I bet you would just love to score.

Come on baby take your poison.
You want it, I've got it,
Poison.

Make your mark at the drive inn,
Leave the back seat free.
Does she wanna do it,
Does she wanna do it with me?

Dirty Money

Skene, Grynglas, Whitby, Young, Eceles

Every night, everyday I can't help
But think about money. I say to
Myself, let it go, it'll go away.
Then the man with the tie and eyes
Of a future will say "yes, it's time to
Pay"... Take your dirty money... So you
Say to yourself is it all worth the
Heartache & pain. And why should some
Yuppie lookin' chooch snake what you
Make. So to all the leeches suckin' on
The world, hear what I say, you ain't
Gettin' no more dirty money...
There's a man at the door that says
Give me the cash in hand. But it's
The same old road that we ride
But there's a folk at the
Loaded gun, that leads
To... Dirty moneys

Man Of War

Skene, Grynglas, Whitby, Young

Manowar, stop the bleeding in the world.
Manowar, are you listening?
Can't you hear them?
There can never be a winner in this game of pain,
No one is above the law in the fighting game.

Cast your spell upon the people,
Make them pay.

There is no method to madness, there is no shame.
Lie & cheat, confuse, abuse, religion is your
Name and you play with war.

Got the word from the devil for what it's worth.
Killing, fighting. Cast your spell upon the world,
Send your metal birds, it's the devil's curse.

Everyone must live together, don't take that away.
Just because you want to fight, don't count on
Me 'cause you play with war,
Manowar.

More Wine Waiter Please

Skene, Grynglas, Whitby, Young

I can't sleep, the boys are bashin'
At my back door. The boss is savage
'Cause I'm rotten to the core. Sweet
Sweet sister she's hangin' on the X.
Striptease & hammer, the bitch is really
Lost.

Doin' time in my mind is always good
To me. But sometimes I get blind & carried
Away.

I need a drink that knocks me off
My feet. Too many late nites & not enough
Sleep!

12 o'clock & I ain't got no honey. I need
A drink but I ain't got no money. It's
Lookin' grim in this dirty little shit hole.
I need a kick, not some fat fuckin' cheap
Mole!!

Breakfast at midnight
Supper at dawn.
Ain't been this helpless
Since the day I was born
Checkin' out the reject
From the nite before, I
Couldn't find a lady, I
Comin' back for
More!!

Tell Someone Who Cares

Skene, Grynglas, Whitby, Young

Ain't it always the way. Just when you
Thought it was safe. No fool to tell you
Their life story. Just keep it out of my
Face... Talkin' to some lady just skippin'
New ground. When some waste of
space
Wants to tell you that his dog got run
Over & he can't do without...
Tell someone who cares.

Ain't On The Chain

Skene, Grynglas, Whitby, Young

I ain't the kind of fool
You think I am.
'Cause here the only fool is you.
I ain't takin' it.

DOWN TOWN

Skene

There's a full moon in the sky,
A party goin' on
Somewhere downtown,
Painted girls, painted world
Downtown.

Hair Of The Dog

Skene, Grynglas, Whitby, Young

Went to a bar...
Drank too much...
Got in a fight...
Got locked up...
Hitched home...
Worst hangover...
Tried everything...
Got nothing...
Hair of the dog...

Ride

Skene, Grynglas, Whitby, Young

Some doctor told me I was not well
Inside. From the day I was born I would
Be the same till I die. So I picked
Myself up, hit the road & managed to
Survive. Just the shirt on my back,
I'd give all but never my pride...
They say life is what you make of it.
They say now!
Don't sit on your ass & do nothin';
You can sit on your ass & do nothin';
I'll build my throne.
You'll find yourself on the street with
Nothing to show. Second hand dirt on
Your back & no pride at all.
Get off the train.

Liar

Skene, Grynglas, Whitby, Young

Woke up this morning.
Something just wasn't
Right. Found a strange
Naked woman layin' next
To me. It must have been
A hell of a night. She told
Me we danced on the beach
Under the pale moonlight.
She said "you told me that you
Loved me, boy" I said "baby,
That can't be right!"
So I cruised on down to the

Train station where I stopped
For a bite to eat, when this
Woman in red walked by with
Those legs Elle would find
Hard to beat. I said "hey babe,
What's about you & me goin'
For a treat." She said "why
Don't you give me your phone
Number, boy & I'll maybe call
You this week"...But...
Well, the music was pumpin'
The music was loud as I

Walked in off the street.
Before I could even get
Myself a drink, there was
This girl standing next to
Me. She said "hey why don't
You take me home & we
Can climb into bed. We can
Get all hot between the
Sheets & I might even give
You " Yeah!
But she's a liar...

Only The Night

Skene, Grynglas, Whitby

Tease me please me, feel me, feel me
Hold me, roll me, smoke me, choke on me
Only the night.
